

Cover Letter

Sub: **To whom it may concern**

Respected Sir/Mam,

Warm Greetings from my side. It's me kshitij Bishokarma, a Bachelor studying student in the field of information and technology. I have a year of experience as a senior data analyst in e-commerce websites. I want to enroll myself with IT expert's which I thought, your company will be the best place for me to collect many experiences

So, I kindly request this company to hire me so that I can give my best and gain the best experiences,

With best regard,

Name: Kshitij Bishokarma
