Respected Sir/Mam,

Warm Greetings! from my side. It's me Kshitij Bishokarma, a Bachelor studying student in the field of information and technology. I have worked as a **File Manager** for around six months in **Softech** company before covid-19 pandemic. After that I joined in e-commerce company namely **Online Saathi** as a **Data Analyst** and worked around two year. Find more about my training and education qualification on my resume attached with it.

To be honest, I want to enroll myself with IT expert's which I thought, your company will be the best place for me to collect many experiences.

Sincerely,

Name: Kshitij Bishokarma
